Q. No.1

Part (ii)

Reference & Context: These lines were taken from the Poem: "Size and Self-Worth" Author is Unknown In of this poem, the speaker addresses the theme of self-acceptance and individuality.

Explanation: These lines highlight the speaker's defiance against societal norms that equate size with importance or value. Through the speaker's assertive tone, the poem conveys a message of embracing one's uniqueness and rejecting external judgments based on physical attributes. The contrast between "large" and "little" serves as a metaphor for differences in appearance, emphasizing the poem's central theme of self-confidence and self-worth.

Q:2

- i) People became Shah Latif's followers due to his spiritual teachings, poetic prowess, and his message of love, unity, and humanity.
- ii) The Holy Prophet Muhammad undertook his farewell pilgrimage (Hajjat al-Wida) in the year 632 CE (Common Era), corresponding to the 10th year of the Islamic calendar.
- iii) Galileo Galilei's father was Vincenzo Galilei, a renowned Italian lutenist, composer, and music theorist.
- iv) Pakistan can earn more foreign exchange through rice by focusing on improving production quality, adopting modern agricultural techniques, enhancing export infrastructure, negotiating favorable trade agreements, and targeting high-demand international markets.

Q. No. 4

- i) I am busy to attend the function.
- ii) He asked me if I would make a speech at the party.
- iii) He is one of the best students in the class.
- iv) He is the man whose horse won the race.
- v) I have been making a plan for five years to go abroad.

Qno 5

Ans

"Daffodils" is a poem by William Wordsworth that celebrates the beauty and tranquility of nature. The speaker recalls a moment when he wandered lonely as a cloud and encountered a field of daffodils dancing in the breeze. The sight of the flowers brings him joy and inspiration, which he carries with him even in times of solitude. The poem explores

themes of nature's power to uplift the human spirit and the enduring impact of moments of beauty and wonder.

Question 6

Give meaning to words

1. Shabby: Worn out, untidy, or of low quality
2. Collapsed: Fell down or failed
3. Reluctantly: Unwillingly or with hesitation
4. Preoccupied: Distracted or worried
5. Obligatory: Required or necessary

Q. No. 7

Ans:

1. Compound Sentence:

- Example: She likes to read mystery novels, but she prefers watching documentaries.

Explanation: This is a compound sentence because it contains two independent clauses ("She likes to read mystery novels" and "she prefers watching documentaries") joined together by the coordinating conjunction "but."

2. Present Perfect Tense:

- Example: I have visited Paris several times.

Explanation: This sentence is in the present perfect tense because it describes an action (visiting Paris) that began in the past and continues to have relevance to the present moment. The present perfect tense is formed by combining the present tense of the auxiliary verb "have" with the past participle form of the main verb ("visited").

Q. No. 8

1. Parents should be respected.
2. Health is a thousand blessings.

3. She always speaks the truth.
4. If you wake up early, you would reach on time.
5. He doesn't do his work on time.

Q9.

Essay Computer

The computer is a revolutionary invention that has transformed the world in countless ways. It is an electronic device that can perform a wide range of tasks, from simple calculations to complex simulations, and has become an indispensable tool in modern life.

The first computer was developed in the mid-20th century, and since then, it has undergone rapid evolution, becoming smaller, faster, and more powerful. Today, computers are used in various fields, including education, business, healthcare, and entertainment. They have enabled us to access vast amounts of information, communicate with people across the globe, and automate many tasks, making our lives more efficient and convenient.

One of the significant impacts of computers is in the field of education. They have enabled students to access a vast array of educational resources, including online courses, e-books, and educational software. Computers have also made it possible for students to learn at their own pace, and interactive learning tools have made education more engaging and fun.

In the business world, computers have enabled companies to manage their operations more efficiently, automate tasks, and reach a global audience. They have also enabled entrepreneurs to start and run their businesses from anywhere in the world.

In healthcare, computers have enabled doctors to access patient records, diagnose diseases more accurately, and develop new treatments. They have also enabled patients to access medical information and consult with doctors remotely.

Class IX: English Paper Solved BISE SUKKUR

In entertainment, computers have enabled the development of video games, special effects in movies, and digital music. They have also enabled people to connect with each other through social media and online communities.

However, the rise of computers has also raised concerns about privacy, security, and the impact on employment. As computers become more advanced, there is a risk that they could replace human workers in many industries.

In conclusion, the computer is a powerful tool that has transformed the world in many ways. It has enabled us to access vast amounts of information, communicate with people across the globe, and automate many tasks, making our lives more efficient and convenient. While there are concerns about the impact of computers, their benefits far outweigh the risks, and they will continue to play a vital role in shaping our future.

Qno.13

Monotheism is the belief in the existence of only one God or supreme being, who is often considered all-powerful, all-knowing, and the ultimate source of everything. This belief is central to several major religions, including:

1. Judaism
2. Christianity
3. Islam
4. Sikhism
5. Zoroastrianism

Key aspects of monotheistic belief include:

1. Unity and Oneness: The belief in a single, indivisible God, who is the only true deity.
2. Uniqueness: The conviction that this one God is unique, with no equals or rivals.

Class IX: English Paper Solved BISE SUKKUR

3. All-Powerful and All-Knowing: The belief that God is omnipotent (all-powerful) and omniscient (all-knowing).
4. Creator and Sustainer: The belief that God created the universe and sustains it.
5. Personal Relationship: Many monotheistic traditions emphasize a personal relationship between the individual and God.
6. Moral Guidance: Monotheistic beliefs often provide a moral framework, with God's will or commandments serving as a guide for human behavior.

Monotheism emphasizes the idea of a single, ultimate authority, fostering a sense of unity, coherence, and purpose in life.

Q. No. 10

Ans:

To,

The Headmaster

Hussain Model School System Sui Gas

Subject: Application for Sports Certificate
Respected Sir/Madam, I hope this letter finds you in good health. I am writing to request a sports certificate from Hussain Model School System Sui Gas for my participation and achievements in Sports Week. I am a dedicated sports enthusiast and have actively represented our institution in various competitions. I have been a part of the Cricket team for [duration of participation, e.g., one year and have contributed significantly to our team's success. My achievements include [list any specific achievements, such as winning tournaments, achieving personal bests, etc.]. I understand the importance of such certificates in recognizing and acknowledging students' efforts and achievements in sports. This certificate would not only be a validation of my hard work and dedication but also a source of motivation to continue excelling in sports. I have enclosed all necessary documents, including proof of participation and any relevant certificates or medals. I kindly request you to consider my application and issue the sports certificate at

your earliest convenience. Thank you for considering my request. I look forward to your positive response.

Yours sincerely,

ABC

Q. No. 11

Ans:

Paraphrasing a poem involves expressing the original meaning, theme, and emotions in different words while maintaining the essence of the poem. The four R's of paraphrasing a poem are Read, Reflect, Restate, and Review.

1. **Read:** Begin by thoroughly reading the poem multiple times to grasp its overall message, imagery, tone, and poetic devices used by the poet.
2. **Reflect:** Take some time to reflect on the poem's deeper meaning, the emotions it evokes, and the central themes or ideas conveyed by the poet. Consider the context in which the poem was written and the poet's perspective.
3. **Restate:** After understanding the poem's essence, restate each line or stanza in your own words while retaining the original meaning and emotions. Focus on capturing the key ideas and imagery in simpler language.
4. **Review:** Once you have paraphrased the poem, review your work to ensure that the paraphrased version effectively conveys the original poem's message and emotions. Compare it with the original to check for accuracy and clarity.
